

“After working for several transcription services over the past 12 years, Axolotl is by far the best.”

– Linda C., Medical Transcriptionist

Axolotl Corp. is a fast-growing medical transcription outsource provider. We differentiate ourselves by our passionate commitment to offering our customers and employees responsive and outstanding service. We value and appreciate you as a true professional, and recognize that the talent of people, like you, will make all the difference in us continuing to be extraordinary. We know that the secret to keeping the best clients is nurturing the best medical transcriptionists.

How do we do this?

- We've designed completely new user-friendly Web-based transcription software ... in fact our software has raised the bar for the entire industry!
- We supply your computer and state-of-the-art software tools, and offer responsive 24-hour technical support.
- We pay attractive line rates.
- We offer the flexibility of home-based employment ...so you can work where it's best for you!
- We promote open communication and creative employee recognition.

We offer our transcriptionists only the best, including:

- Highly-experienced Account Managers providing daily support.
- An outstanding benefits package:
 - Comprehensive Medical and Dental Insurance
 - Paid Life Insurance
 - Paid Long Term Disability
 - Supplemental Life Insurance
 - 401k
 - Flexible Spending Accounts
 - Employee Assistance Program
 - Paid Time Off and Paid Holidays
 - Annual Performance Bonus
 - Referral Bonuses
 - Direct Deposit

“I feel a part of the team and at the end of the day that my job is important”

– Gloria D., Medical Editor

We welcome you to explore the opportunities available with our highly motivated team. If you bring 3+ years of hospital or 2+ years of multi-specialty clinic transcription experience, we encourage you to check out our Website at www.axolotl.com, and send us your resume at jobs@axolotl.com or fax it to us at **(800) 596-9458**. *Equal Opportunity Employer.*
